

One word is worth a thousand pictures...

Introducing **Zyoptix™** from Bausch & Lomb, the new standard for laser vision correction, at **Rochester Eye & Laser Center.**

Your eye is as unique as your fingerprint. With the Bausch & Lomb Zyoptix laser vision correction system, **Dr. Kenneth Lindahl** can provide a personalized LASIK treatment that results in clearer, sharper vision than you ever imagined.

Dr. Lindahl has over 15 years experience in Cornea, Cataract and Refractive Surgery. This experience, combined with the advanced **Bausch & Lomb Zyoptix** technology, makes Dr. Lindahl the clear choice for your vision correction. Call **585-232-2560** to schedule your Zyoptix consultation.
